Happy New Year!! I would like to thank the EMpowered parents for all their time and dedication to their children's commitments. Without your efforts, my studio would not be possible. The result of your devotion was evident in our winter performance. We had a wonderful turnout of friends and family and our student's performance made me extremely proud. I would love to have any videos and pictures from the performance to share on the website and around the studio, so please email us! I am also so thankful for the kind words from all of our families and I'm happy to share them on our website in our new testimonial page! EMotion and our new dance team, EMerging EMotion, will begin rehearsals in January. Also, we are adding new dance classes to our regular schedule, see below for details. Unfortunately, we were not able to rent Carver Center due to schedule conflicts for our end of the year concert. However, I'm happy to announce that our end of the year concert will be held at Notre Dame Preparatory on Hampton Lane. Our dress rehearsal will be on May 16th and our concert will be May 17th, so mark your calendars. Here's to an exciting 2015!!
