Emily's Corner

Welcome to our 4th year at EMpowered! We are thrilled to be back and ready to dance!!! Things have been exciting over the summer. The most exciting change is the expansion of our second studio. We now have more barres, more mirrors and space for at least 3 grand jete's in a row! We are also happy to announce we are offering EMpowered leotards! See the front desk for details. Some classes are almost full, if you are thinking about changing or adding new classes please let us know as soon as possible to guarantee your spot. We

are also happy to announce we have secured the Gordon Center for our performances. More details to come. EMotion Dance Team will be performing at The Health Fair at St. Joseph's Medical Center on October 1st at noon, admission is free, so join us and watch the team perform! Welcome to all of our new students, we are happy to have you join our family. Please like EMpowered on Facebook and Instagram to keep updated. Go EMpowered, see you at the barre!

EMpowering Things to Know...

- **Vocabulary Word of the Month**
 - **Plié:** a movement in which a dancer bends the knees and straightens them again, usually with the feet turned right out and heels firmly on the ground.
- When using Discount Dance Supply website, search for our studio name or use code **TP75306** when placing your order to enjoy 8% off your 1st order!
- The studio offers tap shoe rental for \$5 per month, please see the front desk for further details.
- Please remember to come to class with the proper attire and your hair in a bun.
- Please remember EMpowered is peanut free. We have several students with severe allergies and they cannot be around peanut dust. Please refrain from bringing peanut snacks to the studio. Thank you!
